

WHAT DOES IT TAKE to see a GENERATION truly following JESUS?

"You did not choose me, but I chose you and appointed you to go and bear fruit- fruit that will last..." Jesus, John 15:16

Wave Makers is a creative learning experience for emerging and experienced youth leaders - it is an ideal place to retreat as a team amongst a community of passionate disciples.

Session topics include: Journey, Undertow, Story of God, Mission of Jesus, Fusing my story and God's Story, Investment, Small Group Ministry & tools.

The one-day 12 hour format features large group worship and input sessions from experienced youth ministry practitioners, individual reflection, complimented by small group round-table discussions. BYO lunch/money, bible and pen. Snacks, dinner and resource manual/journal are included in registration fee.

"My expectation prayer was answered – that God will continue to bring clarity to my call and future and help me more effectively lead young people to be deeply passionate and effective for God. The whole time was powerful and very effective. I loved it, and I loved watching others get touched and moved and challenged by God's work."
