

4<sup>th</sup> February 2010

Dear Youth Vision WA Executive,

Thank you for such a great opportunity to apply for the Youth Vision Scholarship in 2010.

I have recently completed first year ##### at ECU, and wish to defer to study ACTIVATE. I have always had a passion for youth ministry and am currently involved in youth at South Perth Church of Christ. There I am committed to youth leadership, youth worship leading and small group leading over the last 3 years and more recently coordinating Junior High on Sunday mornings. I am also part of a Sunday morning worship team.

Last year I volunteered one day a week at the church doing mostly youth ministry orientated duties which also included organising the annual youth Encounter camp. I also did High School Ministry at Como Secondary College during lunch time, which helped me to get to know the students better.

I am very passionate about seeing young people coming to know Christ and encouraging them to passionately develop their own relationship with God. I believe studying ACTIVATE in 2010 will help me become more effective at discipling young people. I hope to complete the course this year specifically strengthening my love for youth by being involved in the South Perth youth ministry, whilst studying the ACTIVATE Certificate IV during 2010.
